

Faridkot is a historic city named after the great Sufi poet Sheikh Farid whose work has found a prominent place in the holy Guru Granth Sahib.

It has the privilege to be birth place of our former President Giani Zail Singh and has a University of Health Sciences, a Dental College, a Government Medical College, a Law College, two Government colleges (Science and Education), Malwa Polytechnic college and many reputed Public Schools.

ADESH INSTITUTE OF ENGINEERING & TECHNOLOGY

(AIET) FARIDKOT

Offers **Six** B.Tech and **Six** Masters Courses approved by AICTE and is affiliated to Punjab Technical University (PTU). It is the oldest self-financed, privately-managed Institute of Punjab. The **Adesh Foundation** (under which AIET was established in 1996) has 16 other Institutes under it, including a Medical College at Bathinda and a Charitable Hospital at Muktsar

NATIONAL CONFERENCE ON ADVANCES IN INSTRUMENTATION

17-19, July 2009

SCOPE

The conference will focus on the advances that have taken place in the area of Instrumentation during the last few years. It will provide a forum for interaction among researchers, academicians, users and manufacturers of instruments, devices and materials for industrial, medical and other applications. Recent trends in all aspects of instrumentation will be discussed.

The conference will comprise of plenary sessions with Invited papers on topics of current research and sessions on paper presentation. An Exhibition of Advanced Instrumentation developed by R & D organizations, Engg. and Technology Institutions and reputed manufacturers and visits to places of historical interest are also planned.

REGISTRATION

Delegates have to pay the following fee in cash at the time of registration

Delegates..... Rs 1000/-

Students.....Rs 600/-

ACCOMMODATION

Accommodation and Meals will be provided at AIET Campus

LAST DATE

30 JUNE 2009

ABSTRACTS & FULL PAPERS

Abstracts (250 words) and full papers (maximum five pages A-4 size, typed in double space preferably in **pdf format**) may be e-mailed to: surjitsingh.bhatti@gmail.com on any of the following topics :

- ❖ Electronic Instrumentation
- ❖ Electrical Instrumentation
- ❖ Industrial Instrumentation
- ❖ Mechanical Instrumentation
- ❖ Bio-Medical Instrumentation
- ❖ Ultrasonic Instrumentation
- ❖ Sensors and Transducers
- ❖ MEMS and NEMS
- ❖ Modeling and Simulation
- ❖ Standards and Calibration
- ❖ Novel Materials and Devices

Holy City- Faridkot

FARIDKOT can be reached by train from New Delhi as below:

*New Delhi (Departure at 9:50pm) By **Punjab Mail** (Arrival 5am)*

It is connected by road to all major cities like Chandigarh (200 km), Ludhiana (130 km), Jalandhar (150 km), Amritsar (125 km), Delhi (400 km), Sri Ganganagar (140 km), Bathinda (65 km), and Patiala (185km).
